

SPECIFICATIONS

Dimensions & Weight			
Overall	Length	mm	4460
	Width	mm	1825
	Height	mm	1620
Wheelbase		mm	2640
Tread	Front	mm	1559
	Rear	mm	1571
Overhang	Front	mm	955
	Rear	mm	865
Minimum running ground clearance		mm	161
Curb weight		kg	1325-1395
Gross vehicle weight		kg	1815
Seating capacity	Persons		5
Cargo capacity	liters		440
Fuel tank capacity	liters		47
Engine			
Engine model code	2ZR-FE		
Engine type	16-Valve DOHC, chain drive with Dual VVT-i		
Number of cylinders & arrangement	4 cylinders, In-line type		
Bore x stroke	mm	80.5 x 88.3	
Piston displacement	c.c.	1798	
Fuel type	Gasoline		
Max. output (SAE net)	kW/rpm	103/6400	
Max. torque (SAE net)	Nm/rpm	172/4000	
Chassis			
Drive	Front Wheel Drive, Front Engine		
Transmission type	CVT (Continuously Variable Transmission)		
Brakes	Front	Ventilated disc brake with floating caliper 1-cylinder	
	Rear	Solid disc brake with floating caliper 1-cylinder	
Suspension	Front	MacPherson strut suspension	
	Rear	Torsion beam suspension	
Stabilizer bar	Front	Torsion bar	
	Rear	Torsion bar	
Steering gear type	Rack & Pinion		
Min. turning radius	Tire	m	5.2
Tires	225/50R18		

Standard Equipment (Exterior)	
Headlamps	LED
Front fog & driving lamp	With
Daytime running light system	With
Rear combination lamps	Hi Grade
Rear spoiler	With
Roof rails	With
Moonroof	Tilt & slide
Disc wheel	18-inch aluminum
Electrically powered back door	Powered back door with kick sensor
Wireless door lock system	Smart System (with panic)
Standard Equipment (Interior)	
Steering wheel	3 spoke wheel, leather
Steering column	Tilttable & telescopic
Front seat	8-way power seat (driver's seat), 4-way manual seat (passenger's seat)
Rear seat	Split folding (60:40)
Seat cover material	Leather
Audio system	8-inch display audio (AM/FM/Bluetooth/USB)
Speakers	6 speakers
Audio jack (lower center instrument panel)	USB
Air conditioning	Automatic air conditioner (dual mode)
Rear face register	With
Multi information display	Color meter 4.2-inch display
Eco meter	Eco driving indicator
Steering switches	With switches (Audio, Telephone, Voice, Cruise Control, Lane Tracing Alert, Display)
Starting system	Push start system
Accessory connector	Front: DC12V / Rear: USBx2
Safety System	
Toyota Safety Sense	Pre-Collision System (PCS)
	Dynamic Radar Cruise Control (DRCC)
	Lane Departure Alert (LDA) / Lane Tracing Assist (LTA)
	Automatic High Beam (AHB)
Anti-lock Brake System (ABS)	With
Vehicle Stability Control (VSC)	With
Hill-start Assist Control (HAC)	With
Parking assist	Clearance sonars + back sonars (6 sonars), Back guide monitor
SRS airbags	7 airbags (driver, front seat passenger, driver's knee, front seat side, curtain shield)

New You. New Success.

COROLLA CROSS

EXTERIOR

Imposing Toughness and Urban Refinement

1. LED Headlamps
2. Rear Combination Lamp
3. 18-inch Aluminum Wheel

INTERIOR

Grow bolder, every time you drive
Step in and glow with the
new power of ownership

1. Power Driver Seat with optimized TNGA driving position
2. Reclining Rear Seatbacks
3. 8 inch Display Audio
4. Luggage compartment with class leading capacity
5. Power Back Door with Kick Sensor
6. Automatic Air Conditioning

PERFORMANCE

Stability

Highly rigid body structure ensures handling stability and ride comfort. Suspension designed to provide a fine-tuned balance of dynamic handling and stability with exemplary ride comfort. Exceptional balance of stability and comfort with significantly reduced uncomfortable bouncing.

CVT (Continuously Variable Transmission)
7-speed Sequential Shiftmatic Continuously Variable Transmission (CVT) incorporates a new cooperative control with the electronically-controlled throttle.

Visibility

Higher seating position and slimmer front pillars allow unobstructed visibility.

Agility

Best-in-class Turning Radius (Tire) 5.2 m

1.8L Gasoline Engine 2ZR-FE
High fuel efficiency and sporty driving is delivered by the 1.8-liter engine with Dual VVT-i. Additionally, when starting up, this engine achieves linear acceleration.

SAFETY

Pre-collision System (PCS)

When data from the millimeter-wave radar and camera sensors predicts a likely collision with a vehicle ahead, the system activates pre-collision brake assist when the driver depresses the brake pedal. If the driver does not depress the brake pedal, it activates the pre-collision brakes.

Dynamic Radar Cruise Control (DRCC)

DRCC is equipped with millimeter-wave radar and monocular camera sensors to detect vehicles ahead, and assists following while maintaining a speed-dependent distance to the vehicle in front.

Lane Departure Alert (LDA)

The system warns the driver with a buzzer and alert lamp when the car begins to leave its lane without turn signal activation from the driver. The system can also activate steering assist to correct steering inputs and prevent the vehicle from leaving its lane.

Automatic High Beam (AHB)

Detects the lights of vehicles ahead and automatically adjusts the headlamps to low or high beam.

Hill-start Assist Control (HAC)

Helps prevent the vehicle from rolling backward when starting on a steep or slippery incline.

Vehicle Stability Control (VSC)

VSC helps ensure that the vehicle holds its direction through a corner by automatically adjusting the engine power and braking force going to each individual wheel.

Hill-start Assist Control (HAC)
Helps prevent the vehicle from rolling backward when starting on a steep or slippery incline.

Vehicle Stability Control (VSC)
VSC helps ensure that the vehicle holds its direction through a corner by automatically adjusting the engine power and braking force going to each individual wheel.

7 SRS Airbags

*The system may not operate properly depending on the weather, road, and vehicle conditions or other factors.
